

## Feiger Newsflash

---

*“...Do not fear, from now on you will be catching men.”* Luke 5:10b

Peter and his partners had been fishing all night and caught nothing. Then Jesus comes along, tells them to try it again, and suddenly they have more fish than they can handle! He calls and they become fishers of men.

We too are fishers of men. Unfortunately, it seems that one of our favorite fishing holes is now off limits! A librarian at Northwestern Michigan College shared that access to the library and all rooms on campus is limited to students and staff. The gym is also closed, so no Volleyball for the Soul. It appears we may

be shut out with the shut down! We'll keep you posted.

However, the Master always knows where the fishing is best. His fishermen just need to listen, follow and be willing to try a new fishing hole now and then. This is one of those times.

A few weeks ago a Ratio Christi administrator asked if anyone would be willing to answer a few responses that had come in on our "Ask Your Theological Questions Here" website link. Remembering a similar "fishing hole" back at Cru, Tony volunteered to take up that "new line in the water," and it has begun to produce!

Tony has answered questions about salvation, the place of works, the Trinity and even "If Jesus Christ is God, how could the God be crucified." That last one ended up a real work of the Spirit, a joyous experience for Tony conveying God's love for us to a Muslim.

Most recently a lady wrote, "Does God send a person to hell on earth? I believe I am possessed by the enemy. Is it over for me?" Can you imagine the distress of this soul? Tony counseled her all day via email, and at around dinner time let him know that she had trusted Christ! But the battle goes on. Please pray for this precious new sister in Christ!

### Getting the "Boats" Ready

This also seems to be a great time to help new fishermen get their boats, nets and tackle, and train them in the basics of fishing. We have been helping a number of people get ready to fish. Here's a few highlights...

Meet Bill and Tabby Scott, from eastern Kentucky. Bill graduated from Kentucky Mountain Bible College in May, and wants to see lives transformed on campuses. Tony has been coaching and equipping them all summer. Amazingly, they have just moved to Houston, TX to begin ministry, fully funded!

They live in an area full of immigrants. Bill has already met a local Muslim teacher and told him he wants to learn all about Islam. The Muslim loaded him up with a pile of books, including the Gospel according to Barnabas! It's clear that Bill is full of the Spirit of Christ and is not afraid to step into the thick of things!!

Kaylene has also had the joy of having a couple ladies she's worked with in the last few years reach out to be discipled in this season. One, Lauren, who was an intern with us here at NMC, is now married and wants encouragement as she seeks ways to reach out and minister to others in her community. What a joy it's been to reconnect with her!

Another, Emily, was a part of a girls group that Kari has been involved with since we moved to Traverse City. Kaylene took on leadership of the group a couple years ago when Emily was a senior and the group's founder was ready to move on to new things. Designed for girls ages 9-18 and renamed Radiant Reflections, the group is for girls who desire to grow in their relationship with God as they seek to learn how to reflect on His Word and better reflect Him in this world. It has been such a blessing to get to go deeper with Emily as she is back home taking classes online this semester and working with her church's junior high students!

### **Prayer Requests**

\* Pray that NMC will open up for ministry soon. Pray also for our community efforts like Radiant Reflections, for fruit that lasts like Emily! And Lauren! 😊

\* Pray for Tony as he ministers online and for our new sister in Christ to find fellowship and grow in her faith.

\* Pray for Bill and Tabby as they begin their ministry in Houston.

***With much love and gratitude for you,  
our family and friends,***

*Tracy and Kaylene*
