VP of Marketing

Stepping Up

“Sure, I’ll go witnessing with you.”

“Yes, I can lead that discussion!”

“Sure, I can pick up the pizza this week.”

It’s been wonderful to have students agree to help our campus ministry in so many ways this fall! The enthusiasm is so encouraging! The freshman class is amazing, unlike any in the past several years. Our children are all involved as well, participating in the discussions and getting the house ready for guests. The goal behind all the activities is to share with them the love of God through Jesus Christ.

One freshman, Josiah, has been particularly encouraging. His older brother had been very involved with our ministry 5 years ago. This summer, when his mother sent an email asking about Josiah’s potential involvement, it made us wonder if we should keep things going this fall. When Tony met him, he found Josiah to be solid in his faith, eager to get involved, and willing to be our VP of Marketing. As such, he designs and posts information about our gatherings every week. He has been extremely helpful and faithful. We thank God for Josiah!

Sending Missionaries

We are thrilled to announce that Julian Gentry has just completed his team of ministry partners and will be starting his ministry at North Carolina State University this fall! Julian had a dramatic call to ministry with Ratio Christi last year *through a dream!* Tony began coaching him in May and has found him to be focused and hard working. Certain of his calling, he quit his secure engineering job this summer and “put his hand to the plow,” meeting with about ten potential partners every week. His wife, Mary, is expecting their first child in January.

We see others we have coached at campuses all around the US, holding events where hundreds hear the good news of Jesus Christ. That is what we live and labor for. We can’t wait to see how God will use Julian and Mary! Thank you for making it all possible through your prayers and generous support!!

On the Home Front

It's nice to see Andrew back home more often this year (He bought a car this summer.) Andrew is in his senior year at Hillsdale College, majoring in History. Full of energy and emotion, he brings life and passion wherever he goes. He is a born leader, now a Residence Hall Assistant at Hillsdale. It will be interesting to see what God has in store for Andrew.

Jacob and Rebecca,
Kaylene's Niece

This past weekend our family traveled to Vicksburg, MS, for the wedding of Kaylene's niece, Rebecca. Jacob is now an engineer and Rebecca recently earned her masters degree in counseling and started her practice. Pray that the Lord will bind them together, and that His love will be their foundation.

Prayer Requests

1. Pray for courage and wisdom as we turn our discussions at our NMC meetings more and more toward Jesus, how He holds the answers to the big questions of life.
2. Pray for Julian as he begins his ministry at North Carolina State University.
3. Thank you for your prayers for Karena. She is on her feet again! Please continue to pray for Josh as he recovers from eye surgery.

***With much love and gratitude for you,
our family and friends,***

Jay and Kaylene
